- (10) **“Contract for Difference” (“CFD”)** shall mean a contract concluded between the Company and the Customer with the outcome based on the fluctuations in the relevant Price Quotes. When a Customer performs Margin Trading in CFD, they are essentially borrowing to increase the possible return on such CFD by using the leverage of borrowed money to control a larger Position than the amount the Customer would otherwise be able to control with such Customer’s own Equity. These Margin Accounts are operated by the Customer’s broker and are settled daily in cash. As such, the Customer is taking a short-term loan from us. The loan is equal to the amount of

leverage the Customer is taking on. Before the Customer can place a trade, such Customer must first deposit money into the Margin Account. If the Customer does not close such Position before the delivery date, it will have to be rolled over (a SWAP charge will apply);

(31) **“Open Position”** shall mean a Position which was opened according to the Customer’s Instruction and for which the Company has issued a relevant Trade Confirmation. The Position is considered an Open Position until the relevant Trade Confirmation for Position closure is issued by the Company. The financial result of Open Positions is not settled in the Account;

- (40) **“Referral Partner”** shall mean an individual or a legal entity which may be remunerated by us for referring Customers to us;
- (41) **“Settlement/Trade Confirmation”** shall mean a notification to a Customer confirming that the Position has been opened or closed by us in the Customer’s Account;
- (42) **“Short Position”** shall mean a Position opened when the Customer sells a CFD in a Trading Instrument. A Short Position can be closed by buying such CFD. In case the selling price is more than the buying price, the Customer receives a profit. Otherwise, the Customer receives a loss;

Upon receipt of such notice, we will immediately terminate your Access Codes, provided, however, that you will at all times remain responsible for any actions taken through the use of your Access Codes before they are terminated by us. Without prejudice to any of the foregoing, we shall at all times be entitled, at our sole discretion, to terminate, revoke, suspend, modify and/or change any or all of your Access Codes at any time with or without prior notice, provided, however, that we shall endeavour, but shall not in any circumstances be obliged to, provide you with prior notice to the extent practicable.

We reserve the right to refuse and/or decline your application(s), at our sole discretion and for any reason, without being obliged to provide you with any explanation or justification.

17.2. We will become a counterparty bound by this Agreement and/or any additional documents, information and/or other legal notices and statements (forming part of the Agreement or otherwise) contained in our Online Trading Facility, only as of the date on which we are sending the above-mentioned confirmation e-mail.

17.3. By registering with us, you will be subject to, and you hereby expressly agree to abide by, all of our rules, policies and operating procedures that govern your activities on our Online Trading Facility. We reserve the right to refuse and/or decline our services to any person and to close the Account(s) of any person, at any time, at our sole discretion, and without disclosing the reason, without being obliged to provide any explanation or justification. All data relating to persons who registered with us will remain our sole and exclusive property and by entering into this Agreement you acquire no right to any such information, except as expressly stated herein.

18. CUSTOMER VERIFICATION

18.1. We are obligated by law in accordance with the applicable Anti-Money Laundering ("AML") & Know Your Customer ("KYC") Legislation to confirm and verify the identity of each person who opens an Account with us. As such, in addition to information provided through Account Opening Application Forms we may request you from time to time to provide us with additional Personal Data. Subject to our analysis of such Personal Data, we

may put various restrictions on the services provided by us to you or completely terminate your access to our Online Trading Facility with or without disclosing the reason therefor.

19. SCOPE OF SERVICES

19.1. After you have been registered as a Customer we will provide you with services of trading CFDs with us over the internet as well as ancillary services as described on our Online Trading Facility.

19.2. As part of our services, we will use reasonable commercial efforts to supply you with the informational and technical means to access and use our Online Trading Facility, and provide you with CFD trading services in Trading Instruments, according to the trading conditions published on our Online Trading Facility.

20. PRICES AND OPEN POSITIONS

20.1. We will provide you with Price Quotes in respect of Trading Instruments through our Online Trading Facility or, in those instances where we have agreed to do so, through our dealing department. The Price Quotes that we quote are determined by us and usually represent a mark-up or mark-down on inter-bank or exchange Market Rates. Our fees and charges are set out on our Online Trading Facility. Each Price Quote provided for a particular Trading Instrument shall be valid until the next Price Quote for this Trading Instrument becomes available, or until it is withdrawn by us.

20.2. Any Order for opening or closing a Position can be executed only by a valid Price Quote. An Account such Order has been sent from should also have enough Free Margin for such Order according to the requirements published on our Online Trading Facility and/or imposed by us for that particular Trading Account. You acknowledge that the requirements imposed by us on your Account(s) may differ from requirements imposed on other Customers' Accounts and may be withdrawn or changed by us at any time, without prior notice and without any obligation on our end to provide any explanation and/or justification. We may at our absolute discretion and without prior notice to you, immediately alter, withdraw or refuse to deal on any Price Quote we may have provided, or cease the provision of Price Quotes altogether in some or all Trading Instruments at any time and without any obligation on our end to provide any explanation and/or justification.

20.3. You agree that in the case that any Position is opened or closed at Price Quotes that do not reflect relevant Market Rates due to an undetected programming error, bug, defect, error or glitch in our Online Trading Facility and/or any related software, or for any other

reason, resulting in mispricing (for the purpose of this section, the "error"), we reserve the right to cancel such Position(s) upon providing you with the relevant notification. You have a duty to report to us any problem, error or suspected system or other inadequacies that you may experience.

20.4. Should quoting and/or execution errors occur, we will not be liable for the resulting errors in your Account Balances. In the event of a quoting or execution error, we reserve the right to make the necessary corrections or adjustments on the Account involved. Any dispute arising from such quoting or execution errors will be resolved by us at our sole and absolute discretion.

21. INSTRUCTIONS AND BASIS OF DEALING

21.1. Placing of Instructions: Unless otherwise expressly agreed, all Instructions must be given to us electronically via our Online Trading Facility, although we may at our sole discretion accept Instructions from you in writing (including fax), by e-mail or other electronic means, or orally (including by telephone through our dealing department at the designated phone number specified on our Online Trading Facility or as otherwise notified to you in writing), unless we tell you that Instructions can only be given in a particular way. We may, at our absolute discretion, require confirmation (in such form as we may specify) of any Instruction, as appropriate. We shall be authorised to follow Instructions notwithstanding your failure to confirm them in writing. An Instruction given by you to us shall not take effect until it is actually received by us.

21.2. Binding effect: Confirmation of an Instruction by us shall constitute a binding agreement between us on the terms of such Instruction. The procedure for entering Instructions is specified on our Online Trading Facility.

21.3. Cancellation/withdrawal of Instructions: We can only cancel your Instructions if we have not acted upon those Instructions. Once an Instruction has been given by you it cannot be rescinded, withdrawn or amended without our express prior written consent.

21.4. Right not to accept Instructions/Orders: We may at our absolute discretion refuse to accept any Instruction given by you, in whole or in part, and refuse to act on it, without giving any reason or being liable for any loss occasioned thereby. In addition, an Instruction which, for any reason, is not received by us in a manner in which it can be processed,

including any failure of our Online Trading Facility to accept or process such Instruction, shall be deemed not to have been received by us.

21.5. Control of Orders prior to execution: We have the right (but no obligation) to set limits and/or parameters to control your ability to place Orders at our absolute discretion. Such limits and/or parameters may be amended, increased, decreased, removed or added to by us at our absolute discretion and may include (without limitation): (i) controls over Order sizes; (ii) controls over our total exposure to you; (iii) controls over prices at which Orders may be submitted (to include (without limitation) controls over Orders which are at a price deviating greatly from the Price Quote at the time the Order is submitted); (iv) controls over our services (to include (without limitation) any verification procedures to ensure that any particular Order has come from you); or (v) any other limits, parameters or controls required to be implemented in accordance with Applicable Laws, Rules and/or Regulations

21.6. Order execution rules: We shall use our reasonable endeavours to execute any Order promptly, but in accepting your Orders we do not represent or warrant that it will be possible to execute such Order or that execution will be possible according to the details specified by you. In general, we shall act according to the Order as soon as practically possible and shall act in accordance with our Order execution rules. If, after the Order is received, we believe that it is not reasonably practicable to act upon such Order within a reasonable time, we may defer acting upon those Order until it is, in our reasonable opinion, practicable to do so, or we may notify you that we are refusing to act upon such Order. We shall not be liable for any losses resulting from such deferral or refusal. If we encounter any material difficulty relevant to the proper carrying out of an Order we shall notify you promptly. We shall carry out an Order only when the relevant Market is open for trading, and we shall deal with any Order received outside Market hours as soon as possible when that relevant Market is next open for business (in accordance with the rules of that Market). You agree that we may execute an Order outside a Market. When you give us a specific Order, our Order execution rules may not apply, and we may be unable to take the steps described in such rules to obtain the best possible result in executing your Order.

21.7. Performance and settlement: You will promptly deliver any Instructions, money or documents which we may require from you or which are deliverable by you under a CFD in accordance with its terms. If you do not provide us with such Instructions, money or documents promptly, we may, at our absolute discretion, take such steps at your cost as we

consider appropriate for our own or for your protection. This provision is similarly applicable in situations when we are unable to obtain contact with you.

21.8. Position limits: We may, at our absolute discretion, require you to limit the number of Open Positions which you may have with us at any time and/or only allow you to close Positions or we may close out any one or more Positions or reverse CFDs in order to ensure that the Position limits we have imposed are maintained.

21.9. Fluctuations in exchange rates: If you enter into any CFD, any profit or loss arising as a result of a fluctuation in the exchange rate affecting such CFD will be entirely for your account and risk.

21.10. Trade reporting: under Applicable Laws, Rules and/or Regulations we may be obliged to make information about certain CFDs entered into by you public. You agree and acknowledge that any and all proprietary rights in information about such CFDs are owned by us and you waive any duty of confidentiality attaching to the information which we reasonably disclose.

22. ELECTRONIC TRADING TERMS

22.6. Effects of permanent withdrawal: In the event of termination of access and/or use of our Online Trading Facility for any reason, at our first request, you shall, at our option, return to us or destroy all hardware, Software, system documentation and/or other documentation or files we have provided to you in connection with our Online Trading Facility, and any copies thereof.

23.2. Upon receipt of an Order from you via our Online Trading Facility, we shall issue a response to such Order via our Online Trading Facility. The response will indicate whether your Order was accepted or not.

23.3. Notwithstanding anything to the contrary in this Agreement, you acknowledge and agree that we shall not be under any obligation to provide a response to your Order to the extent that a Margin Limitation exists with respect to your Account. We acknowledge and agree to disclose any such Margin Limitations to you.

23.4. You acknowledge and agree that if and when you send an Order to enter into CFD with us via our Online Trading Facility, you shall be bound to the terms of the CFD upon our provision of a response to such Order. In case of failure to receive any response to your Order due to connectivity problems, you shall immediately contact us through other means of communication, to obtain confirmation of the Order being accepted.

24. TRADE CONFIRMATIONS AND ACCOUNT STATEMENTS

24.1. Electronic Settlement/Trade Confirmations: Following the execution of an Order received from you, we will send the relevant Settlement/Trade Confirmation as soon as we reasonably can through our Online Trading Facility, but failure to do so will not affect the validity of the Position opened or closed according to the Order. Settlement/Trade Confirmations will normally be available instantly following the execution of the Order via our Online Trading Facility. Settlement/Trade Confirmations shall be deemed to be conclusive and binding on you if not objected to immediately upon receipt with such objection confirmed in writing no later than the close of business on the Business Day

following the day on which the Settlement/Trade Confirmation is sent through our Online Trading Facility. In the event that you believe to have a Position opened or closed which should have produced a Settlement/Trade Confirmation, but you have not received such confirmation, you must inform us immediately when you ought to have received such confirmation.

24.2. Reports of Account activity: You will be able to generate reports of your Account activity through our Online Trading Facility. We will also regularly send you Account statements through your email registered with us. Account activity reports and Account statements ("Account Reports") may include Position(s) and/or Order(s) numbers, Positions opening and closure prices, Free Margin amount, profits and losses and any other information required to be provided under the Applicable Laws, Rules and/or Regulations. 25. ROLLOVER (SWAP) AND OFFSET INSTRUCTIONS

25.1. Rollover (SWAP) is the process of extending the expiry date of an Open Position (i.e. date by which an Open Position must be closed). In CFD trading all Open Positions must be closed daily at the end of day (00:00 CET) and reopened on the following trading day. This pushes out expiry by one more trading day. This strategy is called Rollover (SWAP).

25.2. Rollover (SWAP) is agreed on through a swap contract which comes at a cost or at a gain for traders. We do not close and reopen Positions, but will apply a fee in respect of each Open Position held overnight (if you have "Locked Positions", Rollover/SWAP will be applied to each such position individually). A Rollover (SWAP) fee is calculated by us based on the interbank currency interest rates (such as LIBID/LIBOR). You hereby accept and agree that our Rollover (SWAP) rates are defined solely by us and that such rates may significantly differ from the respective interbank currency interest rates difference due to our mark-ups

or mark-downs. Positions opened at 00:01 are not subject to Rollover (SWAP) until the next day, but if you open a position at 23:59, a Rollover (SWAP) will take place at 00:00 CET.

25.3. Although there is no Rollover (SWAP) on Saturdays and Sundays when the markets are closed, banks still calculate interest on any position held over the weekend. To level this time gap on Wednesday night Rollovers/SWAPs are charged at triple rate.

25.4. The Rollover (SWAP) fee rates will be published on our Online Trading Facility. We shall attempt to collect such Rollover (SWAP) Fees from your Account with us. In the event that we are unable to collect such Rollover (SWAP) Fee(s) from your Account with us, we reserve the right to close part, or all, of your Open Positions. You shall be liable for promptly paying all Rollover (SWAP) Fees(s), even if all funds previously deposited by you have been lost.

26. ISLAMIC ACCOUNTS

26.1. We offer the possibility to open Islamic Accounts with us. Islamic Trading Accounts are available only to those Customers who cannot use SWAPs owing to their religious beliefs. Accordingly, in all instances where a request for an Islamic Account is filed with us, we reserve the right to require an adequate justification for and/or proof of the necessity or need of any such conversion. Furthermore, we reserve the right to refuse the processing of any such request for any reason whatsoever, without being obliged to provide any explanation or justification.

26.2. Any SWAP payments, either positive or negative, are not charged on Islamic Account. Open Positions on Islamic Accounts are closed automatically 14 calendar days after being opened.

26.3. While a Customer may file a request for an Islamic Trading Account at any time, the filing of any such request entails that all of such Customer's other real Trading Accounts with us will be converted into Islamic Trading Accounts as well, without any further notice being required.

26.4. Customers may not request the payment of any SWAP amounts that have been charged for the period during which their real Trading Account(s) has/have been converted into Islamic Account(s).

26.5. We reserve the right to revoke the Islamic status granted to any real Trading Account at any time without being obliged to provide any explanation or justification. Furthermore, in the event that we detect any form of abuse, fraud, manipulation, carry trades or other

forms of deceitful or fraudulent activity in regard to any Islamic Account of any Customer, we reserve the right, at any time, (a) with immediate effect, to revoke the Islamic status from any and all Trading Accounts of such Customer that have been converted to an Islamic Trading Account; (b) to correct and recover any unaccrued SWAPs to any and all of such Customer's Islamic Trading Accounts during the period for which such Accounts were converted into Islamic Trading Accounts; and/or (c) with immediate effect, to close all Trading Accounts of such Customer with us, nullify all Open and Closed Positions in such Customer's Trading Accounts with us and cancel any and all profits or losses generated in such Customer's Trading Accounts with us.

28. FORWARD LOOKING EARNINGS STATEMENTS

28.1. Every effort has been made to accurately represent our services and their potential on our Online Trading Facility. Although the “online trading” industry is one of the few that has a great potential in terms of earnings, there is no guarantee that you will earn any money or income at all using the techniques and ideas in or through the materials or products provided on or through our Online Trading Facility. Do not interpret examples in these materials as a promise or guarantee of earnings. Such earning potential is at all times entirely dependent on the person using any of our services, products, ideas and techniques. Our services are not to be construed as a “get rich scheme.”

28.2. It is possible that some of the materials or products provided on or through our Online Trading Facility may contain information that includes, or is based upon, forward-looking earnings statements. Such forward-looking earnings statements give our expectations or forecasts of future events. These statements can be identified by the fact that they do not relate directly or strictly to either historical or current facts. Such statements may use words such as “anticipate,” “believe,” “estimate,” “expect,” “intend,” “project,” “plan,” and other words and terms of similar meaning in connection with a description of potential earnings or financial performance. Should such statements be used by us on our Online Trading Facility or in any of our sales material, they are solely intended to express our opinion of earnings potential. Many factors will be important in determining your actual results and so please note that no guarantees are made, neither to you, nor to anyone else, that you or anyone else will achieve results similar to the ones mentioned on our Online Trading Facility or in any of our sales material. In fact, no guarantees are made that you will achieve any results from any ideas, techniques or software provided on our Online Trading Facility or in any of our sales material or as may appear anywhere on our Online Trading Facility.

29. PROHIBITED TRADING TECHNIQUES

29.1. Circumvention & Reverse Engineering: You shall not unlawfully access or attempt to gain access, reverse engineer or otherwise circumvent any security measures that we have

applied on our Online Trading Facility and/or computer system(s). If, at our sole discretion, we were to determine that you are in breach of this clause, we reserve the right to take all action as we see fit, including, without limitation, completely blocking access to our Online Trading Facility, blocking and/or revoking your Access Codes and/or terminating your Account.

29.2. Unlawful trading techniques are: (a) Internet, connectivity delays, and price feed errors sometimes create a situation where the Price Quote(s) displayed on our Online Trading Facility does not accurately reflect the Market Rates. The concept of using trading strategies aimed at exploiting errors in prices and/or concluding trades at off-Market prices and/or by taking advantage of Internet delays is prohibited by this Agreement; (b) any trading techniques aiming at exploiting technical vulnerabilities of our Online Trading Facility, for instance the possibility of a negative Account Balance or peculiarities of the Order execution.

29.3. In the event that we have solid reasons to believe that any of the Customers have implemented one or more of the prohibited trading techniques, we reserve the right, at our sole discretion, without prior notice being required, (a) to revoke any Closed Position that relies on unlawful trading techniques; (b) to restrict the opening and/or closing of Positions through the Account(s) involved; (c) to seize any profits and/or revenues generated directly or indirectly by exercising any such prohibited trading techniques; (d) to terminate the Customer relationship and/or close all or some of the Accounts of such Customer; and/or (e) to inform any interested parties accordingly. Any dispute arising from implementing such prohibited trading techniques will be resolved by us at our sole and absolute discretion, in the manner we deem to be the fairest to all concerned; that decision shall be final and binding on all participants; no correspondence will be entered into.

CHAPTER E: MARGIN

30. MARGIN

30.2. Failure to meet a Margin call: You are responsible for maintaining appropriate arrangements with us at all times for the receipt and communication of information regarding Margin. If you fail to provide us with Margin in accordance with the terms of any CFD within the required time, we will be entitled, at our sole discretion, to close out any Open Position without prior notice to you and apply any proceeds thereof to the payment of any amounts due to us.

30.3. Currency conversion: All Margin requirements shall be fulfilled in the currency of your Account in such amounts as we may at our absolute discretion require; to calculate the Margin requirements we may use exchange rates determined by us on the basis of the then prevailing Market Rates. In such circumstances, we will not be liable to you for any loss suffered by you as a result of such calculation.

30.4. Refusal to accept Margin: We reserve the right to return to you at any time, with or without reasons and without being obliged to provide you with any justification of explanation, any funds deposited with us.

31. STOP-OUT (SHORT MARGIN) POLICY

31.1. You accept that our Online Trading Facility operates with an automated risk monitoring, Stop-Out (Short Margin) system designed to prevent an incurrence of the Customer's debt to the Company.

31.2. The "Stop-Out (Short Margin) Level" is the Margin Level threshold of an Account determined by us at our absolute discretion. In case the Margin Level falls below such threshold our Online Trading Facility will start automatically closing Open Positions starting from the least profitable one and until the Margin Level increases above such threshold; the current Stop-Out (Short Margin) Level is published on our Website(s); notwithstanding the

above, we may set a Stop-Out (Short Margin) Level for you which differs from the one published on our Website with or without prior notification.

31.3. A Stop-Out (Short Margin), when triggered, will take precedence over other Order types.

CHAPTER F: COMMISSIONS, FEES AND CHARGES

32. COMMISSIONS, FEES AND CHARGES

32.1. You shall pay to us such fees and charges (including, without limitation, Spreads, charges, SWAPs and other fees) (“Commissions and Charges”) at such rates as are notified by us to you from time to time or published on our Online Trading Facility. By accepting these terms, you acknowledge that you have read, understood and accepted the information under the Trading Conditions posted on our Online Trading Facility where all such Commissions and Charges are explained.

32.2. We reserve the right to amend, alter, modify, delete or add to any of these Commissions and Charges at any time and at our sole discretion. When these Commissions and Charges are modified (hereinafter referred to as “Changes”) we will post such Changes on our Online Trading Facility and/or otherwise notify you of such Changes, each such notification of which shall be deemed as sufficient notice and it is your duty to consult and/or check regularly the information posted under the Trading Conditions on our Online Trading Facility regarding any such Changes. Therefore, you should review the Trading Conditions on our Online Trading Facility from time to time so as to ensure that you will be aware of any such Changes. Your continued use of our Online Trading Facility after the publication of any Changes shall be considered your agreement to such Changes and such use shall thereafter be governed by the modified terms. If you do not wish to be bound by the Changes, you should cease to use our Online Trading Facility and inform us promptly in writing.

33. OTHER FEES AND CHARGES

33.1. In addition to the Commissions and Charges mentioned above, you shall be responsible for the payment of any other fees and charges that may be incurred as a result of the provision of our services to you, including, without limitation, all applicable VAT (if any) and other duties and/or taxes, and all other fees incurred by us in connection with maintaining a Customer relationship with you.

33.2. In particular, we shall be entitled to demand that the following fees and/or expenses are paid separately by you: (a) all extraordinary disbursements resulting from our Customer relationship, e.g. telephone, telefax, courier, and postal expenses in the event that you request hardcopy Settlement/Trade Confirmations, Account statements etc. which we could have delivered in electronic form; (b) any expenses we may incur where caused by non-performance by you, including a fee determined by us in relation to the forwarding of reminders, legal assistance, etc.; (c) any expenses we may incur in connection with replies to

inquiries by public authorities, including without limitation, a fee determined by us in relation to the forwarding of transcripts and enclosures and for the preparation of copies; (d) fees charged by payment service providers (banks, electronic payment providers, crypto-exchangers and other) in connection with deposits to and withdrawals from your Account(s); (e) any expenses we may incur in connection with auditors' comments/reports if such are requested by you. Any such fees and/or expenses will be charged either as a fixed amount corresponding to the payments effected or as a percentage or an hourly rate commensurate to the service performed. The methods of calculation can be combined. We reserve the right to introduce new fees.

33.3. In the event that you instruct us to transfer funds relating to your Account to another institution, you agree to pay us a transfer fee, as determined by us at our sole discretion.

34. PAYMENT TERMS

34.1. Unless determined and stated otherwise in the terms agreed upon by mutual consent of the Parties, all Commissions and Charges and other fees and charges shall be regarded as being due and payable immediately as they incur. Unless specified otherwise in these terms, any sums due to us may be deducted by us from your profits from any CFD or debited from your Account(s) with us. In the event of late payment by you the overdue amounts may bear interest at a rate that we shall reasonably determine.

35. CURRENCY CONVERSION

35.1. If we receive or recover any amount in respect of any of your obligations in a currency other than that in which such amount is payable, whether pursuant to a judgement of any court or otherwise, you will indemnify us and hold us harmless from and against any cost (including the costs of conversion) and loss suffered by us as a result of receiving such amount in a currency other than the currency in which it is due.

35.2. We shall be entitled, but shall not in any circumstances be obliged to, convert:

- a. any realised gains, losses, commissions, interest charges and other fees which arise in a currency other than your Balance Currency (as defined below) to your Balance Currency;
- b. any funds held by us for you into such other currency as we consider necessary or desirable to cover your obligations and liabilities in that currency.

35.3. Whenever we conduct such currency conversions, we will do so at such reasonable rate of exchange as we select. We shall be entitled to add a mark-up to the exchange rates.

CHAPTER G: YOUR ACCOUNT(S) WITH US

36. BALANCE CURRENCY

36.1. Upon opening an Account with us you shall select a currency your Account will be nominated in through the Account opening procedure for each of your Accounts on our Online Trading Facility which shall be one of the currencies or financial assets offered by us to you (the "Balance Currency").

36.2. All payments from you into your Account(s) on our Online Trading Facility will be made in the Balance Currency of your Account.

37. PAYMENTS

37.1. The entire foreign currency exchange risk arising from any deposits in and/or withdrawals from your Account or resulting from the compliance by us with our obligations or the exercise by us of our rights under the Agreement terms, will be borne by you.

37.2. We shall not be obliged to: (a) pay interest to you on any funds you deposit with us; or (b) account to you for any interest received by us, or in respect of which we are the beneficiary, in connection with any funds you deposit with us; you consent to waive all rights to such interest and you acknowledge and agree that we will be the beneficiary of all such interest.

38. SEVERAL/MULTIPLE TRADING ACCOUNTS

38.1. In the event that you have more than one Account with us, we reserve the right to treat all such Accounts as if they were one Account. We reserve the right to limit the number of Accounts held by you, at our sole discretion.

38.2. In the event that you operate several Accounts and opposite Positions are opened on different Accounts, we will not close out such Positions. You are specifically made aware,

however, that unless closed manually, all such Positions may be rolled over on a continuous basis and thereby consequently all Accounts may incur a cost for such a Rollover.

39. DEPOSITS AND WITHDRAWALS

a. Deposits

39.1. You may deposit funds into your Account at any time. Deposits will only be accepted by a payment method (e.g., bank wire transfer, e-wallets, etc.) in the same name as yours. Under no circumstances will third party deposits be accepted.

39.2. We reserve the right to charge you for all transfer fees applied by payment service providers (banks, electronic payment providers, crypto-exchangers and other) and to impose deposit limits and deposit fees in our system(s), at any time.

39.3. If you make a deposit, we shall, without prejudice to any other provisions of this Agreement, use our best efforts to credit your Account for the amount of such deposit within one (1) Business Day following the day on which the deposit was accepted and received by us, provided that: (a) we are satisfied that you are the sender of the funds and (b) you have provided us with all additional documentation as requested by us according to the Anti-Money Laundering ("AML") & Know Your Customer ("KYC") Legislation and/or any other similar rules and regulations applicable to us. If we have valid reasons to believe that you are not the sender of the funds or you have not provided additional documentation requested

by us, we reserve the right to reject such funds and return them to the remitter net of any transfer fees or other charges.

b. Withdrawals

39.4. We reserve the right to charge you for all transfer fees applied by payment service providers (banks, electronic payment providers, crypto-exchangers and other) and to impose withdrawal limits and withdrawal fees in our systems, at any time.

39.5. You are solely responsible for the withdrawal details you are providing us with and we do not accept any responsibility for your funds if such details are incorrect or incomplete.

39.6. Upon submitting a withdrawal request you may be required to submit documentation as required by applicable Anti-Money Laundering (“AML”) & Know Your Customer (“KYC”) Legislation and/or any other similar rules and regulations applicable to us.

39.7. Whenever a withdrawal is performed, we reserve the right (but shall under no circumstances be obliged) to transfer the funds to the same source from which such funds were initially received by us, and by the same payment method. In that connection, we reserve the right, at our sole discretion, (a) to decline withdrawals via certain specific payment methods; (b) to require a payment method other than the one indicated in any withdrawal request, in which instance a new withdrawal request may have to be submitted; and/or (c) to require that further documentation be submitted, as required by the applicable Anti-Money Laundering (“AML”) & Know Your Customer (“KYC”) Legislation and/or any other similar rules and regulations applicable to us, before proceeding with any withdrawal request.

39.8. If we are unable to transfer the funds, or any partial amount thereof, by the same payment method from which such funds were initially received by us, we reserve the right (but shall under no circumstances be obliged) to transmit the funds via an alternative payment method selected by us, at our sole discretion, in any currency we deem fit. Under these circumstances, we shall not be responsible for any applicable transfer fees and/or for any currency exchange resulting from such transfer.

39.9. If you give an Instruction to withdraw funds from your Account, we will reduce the requested funds immediately from your Account Balance and shall use our best efforts to process the specified withdrawal request through our systems within two (2) Business Days following the day on which the withdrawal request was accepted, provided that the following requirements are met: (a) the withdrawal request includes all necessary information; (b) the instruction is to make a payment through a payment method in your

name; (c) you have provided full identification documentation to support your withdrawal request; and (d) total Free Margin of all Accounts that belong to you is positive.

39.10. When a withdrawal is performed from your Account, we reserve the right (but shall under no circumstances be obliged) to remit the funds in the same currency in which such funds were initially received by us and, if necessary, apply the currency conversion according to the current Market Rates.

40. CHARGEBACKS

40.1. If you place a chargeback with your credit/debit card company (on purpose or by mistake) for any deposit you made in your Account with us, we reserve the right to charge a “chargeback fee” to your Account upon receiving the chargeback by our merchant provider to cover our expenses.

40.2. We do not tolerate credit card fraud, and all fraud, without exception, will be prosecuted through criminal proceedings in your local jurisdiction to the fullest extent of the law. In addition, we will pursue civil legal action in your local jurisdiction seeking any loss of income related to the fraud, including business losses, legal fees, research costs, employee downtime and loss of revenues.

40.3. We employ advanced risk modelling to detect fraudulent transaction clues across our services. Fraudulent transactions are cancelled immediately after being detected. Any active Orders associated with the same fraudulent credit card will also be cancelled immediately. We also actively leverage external, cross-industry resources – such as worldwide fraud blacklists – to prevent fraudulent users from accessing our Online Trading Facility in the first place.

40.4. We consider credit card chargebacks to be fraudulent if you make no reasonable effort to work with us to resolve any problems with your deposit. All frivolous chargebacks not only cost our employees time away from our usual and customary matters of conducting normal business, but also cost us money, therefore:

- a. When any questionable activity is detected in relation to a deposit that is being made in an Account, we reserve the right to “freeze” this deposit and perform fraud detection checks on the deposit to reduce your exposure to risk; during this time your access to your Trading Account may be suspended.
- b. Normally, we complete reviews within one (1) Business Day; certain deposits posing a higher potential risk may however require more time for our Compliance Department to

perform more extensive fraud detection checks. We may also contact you directly as a backup precaution. If we determine that a deposit is high-risk or doesn't comply with our security policies, the deposit will immediately be cancelled and the funds will immediately be refunded to the credit card from which the deposit was initially made. Furthermore, in such instances, we reserve the right, at our sole discretion, to close any and/or all of your Account(s) with us immediately. Any active Orders associated with the same fraudulent credit card and/or Account will also be cancelled immediately.

c. You agree that if you choose to do business with us and you file a chargeback with your credit card company but you do not win the chargeback argument, you accept the result of such argument as final and it will not be disputed by you.

d. In addition, we reserve the right to recover fraudulently disputed charges plus additional costs via a collection agency, and your Account will be reported to all credit bureaus as a delinquent collection account. This may severely damage your credit rating for at least the next seven (7) years. In addition to this, we will file a report with your local police department, and pursue all fraudulent activities through your local jurisdiction for prosecution to the fullest extent of the law. Furthermore, in such instances, we reserve the right, at our sole discretion, to take all actions we deem fit, including without limitation, completely blocking access to our Online Trading Facility, blocking and/or revoking your Access Codes and/or terminating your Account. Under these circumstances, we reserve the right to seize any profits and/or revenues generated directly or indirectly by exercising any such prohibited trading activity, and we shall be entitled to inform any concerned third parties of your breach; any active Orders associated with the same fraudulent credit card and/or Account will also be cancelled immediately; we have, and will continue to, develop any tools necessary to identify credit/debit card fraud; any dispute arising from such fraudulent activity will be resolved by us at our sole and absolute discretion, and in the manner we deem to be the fairest; that decision shall be final and/or binding on all participants; no correspondence will be entered into.

40.5. We take fraud very seriously. We reserve the right to log IP strings on all deposits made in our accounts - any Orders coming back as a chargeback due to fraudulent activities

may be diligently pursued through criminal proceedings in your local jurisdiction for prosecution to the fullest extent of the law.

41. TITLE TRANSFER OF MONEY DEPOSITED WITH US

41.1. Any money received by us from you will be owed by us to you and you no longer have a proprietary claim over such money transferred to us, and we can deal with it in our own right.

41.2. All funds which you have deposited with us at any time ("Customer Funds") shall be subject to a general lien and right of set-off for any of your liabilities to us, regardless of whether we have made advances in connection with such Customer Funds, and irrespective of the number of Accounts you may have with us. We may, at our sole discretion, at any time and from time to time, without notice to you, transfer any or all such Customer Funds between any of your Accounts with us.

42. CUSTOMER FUNDS

42.1. All Customer Funds will be held in an account with a reputable custodian, credit institution or bank, or with electronic payment providers/processors approved by us, and will be segregated from our own funds in accordance with the applicable Guidelines. Your Customer Funds may be pooled with the funds of other Customers in a general omnibus account.

42.2. We will not be liable for any failure or insolvency of any custodian, credit institution, bank or third party holding your Customer Funds.

42.3. Without prejudice to any other provisions of this Agreement, we may, at our sole discretion, from time to time and without prior authorisation from you, set off any amounts held on your behalf against your obligations to us and/or merge any of your Accounts with us.

CHAPTER H: GENERAL PROVISIONS

43. MARKET MAKING

43.1. You are specifically made aware that for the purpose of providing CFD trading services to you we may act as a “Market Maker”, i.e. we may take the risk of acting as counterparty to CFD(s) you enter into through our Online Trading Facility. We may “make the market” by providing Price Quotes for Trading Instruments on our Online Trading Facility and fulfilling Orders received from you in respect of such Trading Instruments.

43.2. In order for us to provide Price Quotes with the swiftness normally associated with speculative trading, we may have to rely on available price or available information that may later prove to be faulty due to specific Market circumstances, for instance, but not limited to, lack of liquidity in, or suspension of, the underlying asset(s) or errors in market data feeds from market data providers. In these circumstances, provided that we have acted in good faith when providing the relevant Price Quote to you, we may cancel the relevant CFD with you but will do so within reasonable time and will provide you with a full explanation for the reason of such cancellation.

43.3. Following the opening of any Position in your Account we may, at our reasonable discretion, subsequently offset each such Position with you with another Customer’s Position or with a position with one of our counterparties, or we may decide not to offset the Position with you. Such decisions and actions may therefore result in trading profits or losses for us if we offset your Positions at prices different – sometimes significantly different – from the Price Quotes provided to you, resulting in trading profits or losses for us. This in turn can raise the possibility of you incurring what may be seen as an implied cost (i.e., the difference between the price at which you traded with us and the price at which we subsequently traded with our counterparties and/or other Customers) due to any profits realised by us as a result of the Market Making function.

43.4. You accept that when we act as a Market Maker we may hold Positions that are contrary to your Positions and/or the Positions of certain other of our Customers, resulting in potential conflict of interest between us and any such other of our Customers.

43.5. When we act as a Market Maker, you accept that we have no obligation to provide Price Quotes to you and/or any of our other Customers at any time for any given Trading

Instrument, nor shall we have an obligation to provide such Price Quotes to you and/or any of our other Customers with a specific maximum Spread.

43.6. You acknowledge, recognise and accept that the Price Quotes provided to you may include a wider Spread when compared with the “spread” with which we may have covered or may have been expected to be able to cover the Position in a trade with another Customer or a counterparty; furthermore, you acknowledge, recognise and accept that the said “spread difference” constitutes remuneration to us and that such “spread” will not be specified at the Settlement/Trade Confirmation or otherwise revealed to you.

43.7. Any commission costs, interest charges, costs associated to and included in the Spreads that are part of the Price Quotes provided by us as a Market Maker, and any other fees and charges will consequently influence your trading result(s) and may have negatively impact your trading performance compared to a situation where such commission costs, interest charges, costs associated with and included in the Spreads, would not apply.

43.8. Whilst trading in CFDs, Spreads, SWAPs and commissions are normally considered moderate seen in relation to the value of the Trading Instruments, and such costs may be considerable when compared with your Equity. As a consequence thereof, your Equity may be depleted by the trading losses which you may incur, and by the directly visible dealing costs such as commissions, charges or other fees, as well as by the aforementioned invisible costs for you that are caused by our performance as a Market Maker.

43.9. Please note that we are at no time and under no circumstances obliged to disclose any details of our performance or our income produced as a Market Maker, or otherwise related to other commissions, charges and fees.

44. CONFLICT OF INTEREST

44.1. You should be aware that when and where we enter into a CFD with you, we may have an interest, relationship or arrangement that is material in relation to the CFD concerned. Should a conflict of interest arise we will seek to resolve such conflict in such a way as we believe is in your best interests in accordance with our Conflict of Interest Management Policy as amended or extended from time to time.

44.2. Specifically, you hereby acknowledge and confirm that: (a) we may establish business, including without limitation, trading relationships with other issuers of Trading Instruments and we may have a financial interest in such Trading Instruments; (b) we may act as a Market Maker and in this context there may be an inherent conflict of interest; and (c) we may

compensate and/or share our revenues from your activity with our affiliates, associates, partners and/or other parties.

44.3. Full details of our Conflict of Interest Management Policy are available on our Online Trading Facility or on demand. Our Conflict of Interest Management Policy is a policy only, it is not part of the Agreement and is not intended to be contractually binding or impose or seek to impose any obligations on us which we would otherwise not have but for the Act, the Regulations and/or the Guidelines.

45. ACKNOWLEDGEMENTS

45.1. Trading in leveraged or non-leveraged CFDs involves a significant level of risk. Before deciding to trade you need to ensure that you understand the risks involved taking into account your investment objectives and level of experience. Please be aware then that the contents of our Online Trading Facility or any communications you may receive from us are neither a solicitation nor an offer to enter into CFDs in financial market(s). You need to refer to our Risk Disclosure which describes the risks involved in trading in financial markets in more detail.

45.2. You further acknowledge, recognise and understand that: (a) because of the low level of Margin normally required in highly leveraged CFDs, price changes in the Trading Instrument may result in significant losses and such losses may substantially exceed your investment and Equity; (b) certain Market conditions may make it difficult or impossible to execute Orders at a stipulated price; (c) when you direct us to enter into any CFD any profit or loss arising as a result of a fluctuation in the value of the relevant Trading Instrument will be entirely for your account and risk; (d) we do not provide any investment advice to you; therefore, you agree not to hold us responsible for any losses incurred as a consequence of following any of our recommendations or suggestions or those of our employees, associates or representatives; (e) we have no obligation to conduct any continuous monitoring of the CFDs entered into by you and therefore cannot be held responsible for any CFDs developing differently from what you might have presumed, and/or to your disadvantage; (f) guarantees of profit or freedom from loss are impossible in CFD trading; (g) you have received no such guarantees or similar representations from us, nor from any of our associates, from a business

introducer, or representatives thereof or from any other entity with whom you are trading in a corporate or joint Account.

45.3. In addition to the foregoing, it is important that you be fully aware of the following points:

- a. We reserve the right to close part, or all, of your Open Positions in order to facilitate the charge of any fees or amounts due from you. Notwithstanding that, you shall be liable for promptly paying such fee(s) to us, even if you suffer full loss of all funds deposited by you.
- b. We do not guarantee any Order. We do not guarantee that the trade will be fulfilled at the Order price. We will make all reasonable efforts to fill Orders at the Order price, but we reserve the right to fulfil them at the first/best available market price which may or may not match the requested Order price.
- c. The risk information presented does not reflect all of the risks as well as other important aspects intrinsic to trading in leveraged CFDs. Therefore, before starting to trade, you should learn the specifics of entering into such CFDs in detail or seek professional advice.

46. FURTHER REPRESENTATIONS, WARRANTIES AND COVENANTS

46.1. In addition and without prejudice to any other representations, warranties and covenants set forth in this Agreement, you hereby further represent, warrant, covenant and agree that all funds supplied by you for any purpose, subject to these terms, shall at all times be free from any charge, lien, pledge or encumbrance and shall be beneficially owned by you.

46.2. By using our Online Trading Facility you represent, warrant, covenant and declare that all the funds that you use and invest on our services do not originate in any way from drug trafficking, abduction, terrorist activity or any other criminal activity that is unlawful or could be considered unlawful by any authority. Should we become suspicious that you may be engaging or have engaged in such fraudulent, unlawful or improper activity your access to our Online Trading Facility may be terminated immediately and/or your Account blocked. If your Account is terminated or blocked in such circumstances, we are under no obligation to refund any funds that may be held in your Account, unless otherwise instructed by a competent regulatory authority. We shall be entitled to inform the relevant authorities, other online service providers and banks, credit card companies, electronic payment providers or other financial institutions of your identity and of any suspected unlawful,

fraudulent or improper activity and you will cooperate fully with us to investigate any such activity.

46.3. You covenant to us that: (a) you will at all times obtain and comply with, and do all that is necessary to maintain in full force and effect, all powers, consents, licences and authorisations referred to in this clause; (b) you will promptly notify us of the occurrence of any Event of Default or potential Event of Default; (c) you will use all reasonable steps to comply with all Applicable Laws, Rules and/or Regulations in relation to this Agreement and any CFD hereunder, so far as they are applicable to you or us; (d) you will not send Orders or otherwise take any action that could create a false impression of the demand for or value of a Trading Instrument, or send Orders which you have reason to believe are in breach of Applicable Laws, Rules and/or Regulations; (e) upon demand, you will provide us with such information as we may reasonably require to evidence the matters referred to in this clause or to comply with any Applicable Laws, Rules and/or Regulations.

47. REGULATORY MATTERS

47.1. Unless otherwise permitted by the Act, the Regulations and/or the Guidelines, nothing in this Agreement shall be taken to exclude or restrict our obligations under the Act, the Regulations and/or the Guidelines.

47.2. We shall be entitled to take any action as we consider necessary, at our sole and absolute discretion, to ensure compliance with the Act, the Regulations and/or the Guidelines, and/or any other Applicable Laws, Rules and/or Regulations and such actions shall be binding on you and shall not render us or any of our associates liable.

47.3. You hereby expressly acknowledge and agree that upon reasonable written notice from us, and at our first request, you will co-operate with the BVI Financial Services Commission (the “BVI FSC”, or the “FSC”) and any other relevant regulator in relation to the matters covered by this Agreement.

48. TAX IMPLICATIONS

48.1. We will not provide any advice to our Customers on any tax issues related to any of our services. You are advised to obtain individual independent counsel from your financial advisor(s), auditor(s) or legal counsel with respect to any tax implications of our services.

48.2. You further know, understand and agree that, in general, we do not collect tax in any form or manner whatsoever. It is solely your obligation to calculate and pay all taxes

applicable to you in your country of residence, or, in the case of legal entities, in their country of formation, incorporation and/or domiciliation related to using our services.

48.3. Without derogating from your sole and entire responsibility to perform tax payments, you agree that we may deduct tax from your Account(s) related to using our services but that we are not obligated to do so.

49. PERSONAL DATA

49.1. The provisions of this notice apply to former Customers as well as our current Customers and explain the manner in which we collect and maintain Personal Data.

49.2. When you apply for or maintain an Account with us, we collect Personal Data about you for business purposes, such as evaluating your financial needs, processing your Instructions and transactions, informing you about products and services that may be of interest to you, and providing customer service; Personal Data may include: (a) application information: information you provide to us on applications and other forms, such as your name, address, birth date, phone number, e-mail and other; (b) transaction information: information about your deposits, withdrawals and trading activity with us and with our affiliates; (c) communication information: information about our communications with you (e.g. your inquiries and our responses); (d) verification information: information necessary to verify your identity such as a passport or driving licence (examples also include background information we receive about you from public records or from other entities not affiliated with us); furthermore, we may collect other identifiable information such as identification numbers and/or passport/tax registration numbers.

49.3. We may also collect such information as logging your internet protocol (IP) address, software configuration, operating system and use of cookies (cookies are small files containing information that our Websites use to track its visitors which may be sent from us to your computer and sometimes back). IP addresses may be linked to your Personal Data and by tracking these addresses we would be obtaining such Personal Data. Access to our Online Trading Facility is conditional on the acceptance by you of any “cookies” and “IP address tracking devices” described in and for the purposes explained in this clause. By

accepting these terms, you acknowledge that you understand the broad nature of “cookies” and “IP address tracking” devices.

49.4. Should you ever close your Account with us, we may keep some of your Personal Data on file to comply with regulatory requirements.

49.5. We do not disclose or share Personal Data about any of our Customers (whether active or inactive) to or with any non-affiliated third parties other than in the manner and to the entities set forth below:

a. Sharing Personal Data with our associates: We may share your Personal Data described above with our associates for business purposes, such as, but not limited to, servicing the Customer or to assist in the business activity of our company or its affiliates as permitted by the law. You agree that we may deliver copies of transcripts of such recordings to any court, regulatory or government authority, including without limitation, in disputes which may arise between you and us. However, technical reasons may prevent us from recording a conversation, and recordings or transcripts made by us will be destroyed

in accordance with our normal practice. Consequently, you should not rely on such recordings to be available.

49.7. We use due care and diligence to ensure that your Personal Data is secure and that our data protection tools meet industry standards. We use safeguards such as data encryption, firewalls, authentication systems and access control mechanisms to prevent unauthorised access to systems and keep your Personal Data secure. We also require that you use your personal Access Codes every time you access your Account online. 50. INTELLECTUAL PROPERTY

50.1. Intellectual Property Rights in and/or relating to: (a) our Online Trading Facility; (b) our services; (c) any other of our platforms or Software (including without limitation, demos and any relevant system documentation and/or user manuals); (d) this Agreement; (e) the Price Quotes we provide; and/or (f) any information transmitted via our Online Trading Facility or otherwise (hereinafter collectively referred to as "Intellectual Property Assets"), are our sole and exclusive property and/or, as the case may be, of our third party service provider(s) who granted us the right to supply them ("Third Party Licensors"). Our Online Trading Facility (including without limitation, any of our platforms or Software) may incorporate third party data, text, images, software, multi-media materials and other content, and references to the term "Intellectual Property Assets" shall be taken to include all materials, content and services made available from time to time via our Online Trading Facility, whether viewed on screen or downloaded to another computer.

50.2. All Intellectual Property Assets, including but not limited to, all copyrights, trademarks, patents, service marks, trade names, software code, icons, logos, characters, layouts, trade secrets, buttons, colour solutions and graphics are protected by local and international intellectual property laws and treaties, including all copyright laws and regulations and remain vested in us or in our Third Party Licensors. You receive no copyright, Intellectual Property Rights or other rights in or to our Intellectual Property Assets, except for the right to access and use them in accordance with the terms of this Agreement or pursuant to any agreement you may have with one of our Third Party Licensors. You will protect and not violate our Intellectual Property Rights or any Third Party Licensors' proprietary rights therein and honour and comply with our reasonable requests to protect our and each of our Third Party Licensors' contractual, statutory and common law

rights therein. If you become aware of any violation of our or a Third Party Licensor's proprietary rights in any Intellectual Property Assets, you will notify us promptly in writing.

50.3. Under no circumstances shall you remove any copyright notification from any of our Intellectual Property Assets or unlawfully use any of our Intellectual Property Assets. You will not publish, distribute, or otherwise make any of our Intellectual Property Assets available to third parties, or any information derived from or relating to our Intellectual Property Assets. 64. FORCE MAJEURE

64.1. We shall not be in breach of this Agreement and shall not be liable or have responsibility of any kind for any loss or damage incurred by you as a result of any total or partial failure, interruption or delay in the performance of this Agreement occasioned by any act of God, fire, war, civil commotion, labour dispute, act of government, state, governmental or supranational body or authority, or any investment exchange and/or clearing house, inability to communicate with market makers for whatever reason, failure of any computer dealing system, any other breakdown or failure of transmission in communication facilities of whatever nature, between us and you or any other third party whatsoever, or any other reason (whether or not similar in kind to any of the above) beyond our reasonable control (each a "Force Majeure Event").

66.1. All remedies available to either Party for breach of this Agreement are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.

68. NO PARTNERSHIP, AGENCY OR JOINT VENTURE

68.1. Nothing in this Agreement nor the performance of any services by either Party hereunder shall be construed to create a joint venture, agency or partnership relationship between us.
